

Remote Volunteer Opportunities

Thank you for your interest in supporting the 2021 Walker Wishes Holiday Toy Drive! Below are some suggestions for activities you can do remotely this year to benefit Walker.

Create an activity for children at Walker

- *Winter Craft Kits:* Design a craft and assemble supplies. From bookmarks to ornaments to snowflakes, the possibilities are endless! Gather your supplies, write up your instructions, and assemble into kits.
- *Holiday/Winter Greetings:* Create holiday cards, posters, wreaths, and other decorations.
- *Winter Break Care Package:* Purchase new supplies and assemble into care packages. Suggested items include dvd movies (g-rated), bakeware (cookie cutters, muffin tins, etc.), board/card games, gloves, hats, favorite recipes, arts and crafts, etc.
- *Winter Hat & Mittens Drive:* Set up your own collection box for new hats, scarves, mittens/gloves, and socks to donate for children at Walker to use this winter.

Create your own volunteer activity

Do you have a great idea? Let us know! We're happy to work with you to design your own volunteer activity.

Register your volunteer activity before 12/3 by emailing giving@walkercares.org, and we'll be in touch to coordinate logistics. We request that all items be shipped to Walker. We are not able to accept donation drop-offs at this time.

The Holiday Toy Drive directly benefits children who are served by Walker's residential, educational, and community-based programs.
